### Fruity Friday goes bananas!

Fruity Friday proved to be a big fundraising success as it raised £464.86 for two charities on the 14th May Charity Day.

The money raised from cake sales, wearing yellow for the day and other activities will be shared equally between the World Cancer Research Fund and Smile Train - a charity that helps fund cleft lip surgery in Africa.

The winners of competitions held during the charity afternoon will be announced next week.

We would like to thank all parents and pupils for their generosity and hard work baking and organising activities.
