From Kieran Topping Chief Operating Officer

Dear Candidate,

Thank you for your interest in the role of a Chemistry Technician here at Truro School.

Our School is steeped in 145 years of history, and is Cornwall's only co-educational independent school for children aged 3-18. We are situated over two campuses. The Senior School educates around 800 pupils and is set within 40 acres of sports fields and open spaces overlooking Truro and its iconic Cathedral. The Prep School educates around 300 pupils and is located next to the Royal Cornwall Hospital. We have superb facilities and resources at both sites that support our forward-looking educational ambitions.

Our Cornish setting allows us the privilege of working in a thriving city surrounded by beautiful rural and coastal opportunities. Our educational philosophy is to promote inclusive excellence, academically, pastorally and via a vibrant co-curriculum, for all who join our School.

Underpinned by a welcoming and liberal Methodist ethos, we champion an education rooted in the values of curiosity, courage, creativity, compassion and confidence. We encourage our pupils to be and to become the very best of themselves, embracing the richness of a broad and forward-thinking education. We want our staff to be excited by what we provide for the children under our care – no matter what their role.

Our school is large enough to offer many diverse and exciting opportunities, but small enough to know our children and families well. We champion an ambitious, broad and balanced education, and we hope that everybody who joins us will feel an important part of this flourishing community.

For a flavour of life here at Truro School please look at our website www.truroschoo.com and view our virtual tour, where you will find a glimpse of who we are and where we work, seeing and hearing from staff and pupils alike.
