All Clubs in **black** will run from 3:45 until 4:30 unless stated.

Any club in **red** is an externally run club. These may have a different start and end time and will have an additional charge added to your bill at the end of each term. If you would like any further information about the costs please contact the school office.

Shark Attack will be for the whole of Key Stage 1 on both days. When signing up, please specify which day you would like to attend. You will be assigned one of these days.

If children are attending the clubs below, additional kit may be required:

Shark Attack: Swimming kit

Street Dance: PE kit

Fencing: long sleeve top (a school jumper can be used)

Football: Either your own football kit or the school Prep sports kit. Shin pads and football boots.

Ballet: school ballet uniform. Information about this will be shared with you if a place is offered.

Cricket: PE kit

There are limited spaces available for clubs, therefore, if allocated a place, it is imperative that your child attends. If they are frequently unable to or child decides not to attend a club, then they will be removed from the list, and it may be offered to someone on the waiting list.

For some clubs, except for some special circumstances, children who are **NOT** on the waiting list will not be able to sign up for a club once it has started.

Please be aware that if your child does not have the appropriate kit, they may not be able to attend these clubs and will have to go into our wraparound care.

Please use this QR code to request a spot in our clubs.
