### A thank you from Mr Neale

Mr Neale would like to pass on his thanks to all the parents who contributed to his leaving gifts and cards.

### Messages from Mrs Cameron

Please could parents ensure that all their children's items are named, including shoes and trainers.

Many thanks to everyone who has already returned the medical and consent forms that were sent home this week. Please could we ask for any outstanding forms to be returned as soon as possible.

Thank you

### Parking and driving safely

Please drive slowly down the front and back drives. There may be pedestrians walking on the road as there are no footpaths, and there are residents who live on the drive. Please be especially vigilant at all times when driving through school as children may be running around.

Please do not park in the staff car park by the assembly hall as there are staff arriving and leaving throughout the day. Please remember to forward park in the marked bays as they are not designed to be reversed into.

Please observe the road markings and do not park on the yellow lines – this is for the safety of everyone.

Please do not turn right into the front drive – this is an illegal manoeuvre and could result in points on your licence.

And finally a reminder not to perform a U turn in the Lowen Bre estate. We have had many complaints from residents and there is now a legal enforcement in place.

Thank you for your understanding and cooperation.

The Friends of Truro School (FTS) is designed to bring the strong and inclusive community of Truro School Senior and Prep parents, pupils and teachers together.

All parents and/or guardians of pupils at Truro School Senior and Prep are full members of the FTS. The FTS organises regular events at both schools – past events include the Quiz and Curry night, the Fun Triathlon, the Christmas and Summer Fairs, the Summer Ball and the Cream Tea Stall at Truro School Senior Sports Day. Please see the weekly school newsletter, posters and the FTS page of the school website - look under the Community tab.

The FTS works to enrich our children’s school experience, strengthen the school community, raise funds to help enhance the facilities of the school and ensure that our children get the most out of their time here.

Thank you very much for your support and we look forward to seeing you at events around the school.

Best wishes,

Laura Rundle and The FTS Team
