Say Cheese! Reception learn about having a healthy smile

Reception learnt all about teeth when Freya's parents, who are both dentists, came to talk to the children.

In the last couple of weeks, Reception class have been learning about healthy eating, and last week made smoothies using a mixture of fruits. There was a choice between 'Pink Power' (Beetroot) or 'Green Goodness'.

The dentist pair spoke about what they do and look for when you go for a check-up, what to eat often and on occasion, and how to brush teeth properly.

The pupils were very interested in what they had to say, and the curious bunch asked plenty of questions

Shakespeare rehearsal (assembly hall)
10am-12.30pm

On Thursday 10 October, a Year 5/6 badminton team went to the Senior School to play friendly matches against the 1st Years.

Our players were very inspired by the Sir Ben Ainslie courts, and by the older students who were training there that night too.

The Sixth Formers supervised the match play and kept the scores, and reported that they were impressed by the standard of play, and the sportsmanship displayed.

'We all really enjoyed it and tried our best', explained Joe (Year 6).

The matches were close and our players worked hard to achieve their personal performance targets of effective low serve, clear or smash.

Nemo commented that he really enjoyed the matches too, whilst Woody cheekily reported that he liked the biscuits best!

Well done badminton players - a great first match.

Thank you

Thanks to everyone who came and supported the Quiz & Curry night last Friday. Mr. Frewer did a fantastic job of organising a very eloquent group of Year 6 question masters. The categories included a very popular Crisps round and a not so popular Maths round which had a lot of parents scratching their heads for a while !

The new arena of the Assembly hall meant that we were able to have more teams this year and it was great to see everyone joining with friends old & new to rise to the Quiz masters challenge. Well done to the winning team, the aptly named "The Unforgettables". A delicious curry was then served in the dining hall by Sue & her team. A final thanks to all the teaching staff for looking after the children whilst they watched a movie & enjoyed popcorn.

First Aid Messages

Head bumps!

Just to let you know of a new system I am bringing in should your child have a bump to the head whilst under our care. They will be given a soft (but tough) paper wristband to wear until they get home which says "**I bumped my head today**". I will continue to contact parents direct at the time, and send home a letter if significant, but this wristband will alert others during the day (and after school if applicable) to ensure they get that extra level of care.

Any comments or questions please feel free to email me: kcl@truroschool.com
