### U11 Netball v Claire's Court School

On Friday 8 November, our Year 6 girls hosted Claire's Court School, on tour from Maidenhead, for an afternoon of netball.

With many of the girls not having played netball since April, it was a really good opportunity for us to dust off our shooting skills, and remind ourselves of how much fun netball really is.

#### Team Australia

*Squad: Beth, Florence, Imogen, Alice, Felicity, Amy, Zara, Bou, Harriet.*

Claire's Court provided some strong opposition, but the Truro girls showed great teamwork and enthusiasm to create some excellent attacking periods of play. Beth was quick to move into space. Some great passes from Alice and Zara meant that the ball was moved down the court with fluency, and Imogen was able to score a great goal.

#### Team New Zealand

*Squad: Emilia, Ella, Lowena, Beatrice, Tilly-Rose, Farrah, Lilia (timekeeper), Annabel, Sasha, Mimi.*

This was a close game, with both teams scoring plenty of goals. Claire's Court goal attack was very consistent, rarely missing a shot. Our goal attack, Ella, moved well around the shooting circle, and scored several goals. Farrah was very strong at centre, defending well and making countless interceptions.

At netball club, we have been working hard on our ability to move on an angle and accurate passing, so it was really nice to see it put into practice within a match.

At the end of the game, Harriet and Farrah were named players of the match, and all the girls sat down to a hot match tea with the opposition, before they headed off on the rest of their tour.

The children performed a very moving Act of Remembrance, coming together to pay tribute to all those who have fallen in conflict. The children stood respectfully for the two-minute silence in which they took a moment to reflect and pay their respect.

### **Bryanston Invitational U11 hockey tournament, Wednesday 13<sup>th</sup> November**

We were extremely fortunate with the weather at Bryanston School in Dorset – a clear, chilly day, with the exception of one downpour.

With twenty schools attending, this tournament provided all of the teams with two rounds of matches.

In the group rounds, we played against teams from Salisbury Cathedral, Dumpton and Walhampton Schools. The standard of play was high, which forced our players to play to the best of their ability. Our team gained invaluable experience through playing against different teams to normal.

In the afternoon, we played in the Championship round. Our opponents were the following teams: Ballard School, Dolphin School, Hanford School and Clayesmore School.

On our return journey to Cornwall, as the temperature dropped even lower, we spotted several gritter lorries, snowy Dartmoor hills and faced torrential hail and sleet showers.

Well done to all of our players and staff for coping with such a long and rewarding day.

*Squad: Harriet, Beth, Zara, Imogen, Ella, Beatrice, Flo and Grace*

The Year 3 children were pleased to find a Stick Insect in the grounds this week. They named the insect Sticky and returned it to a safe wild place in the woods. Well found Paddy!

## Shakespeare Schools' production of Hamlet

To be or not to be at Truro Prep's amazing Shakespeare play, that is the question! Come and support our amazing cast who are working hard to put on an amazing production for the Shakespeare Schools' Festival. They will be performing Hamlet at the **Regal Theatre Redruth on Monday November 18th at 7pm**. The evening should end at 8:30pm. We'd love to see you there! Tickets are available direct from the Regal Theatre Redruth Box Office - <https://www.merlincinemas.co.uk/film/51312-shakespeare-schools-festival-2019>

## School Uniform

Please could we politely remind all Prep pupils and parents of our school uniform for this term. With the cold and wet weather we are experiencing we would particularly like to draw your attention to the need for all children to have a black or navy blue coat in school. Also that short ankle white socks should no longer be worn but rather knee high navy socks or navy tights.

In addition, optional hats, scarves and/or gloves may be worn but these **MUST** be either bought in the school shop or black or navy blue please.

Thank you so much for your support in this.

## Road Safety messages

Please could we ask that parents do not arrive at the end of the day before **3pm** as traffic queuing up the driveway could prevent access for emergency services.

If you need to collect your child urgently before the end of the day, please park in the visitor's bay and drive back up the driveway.

Thank you for your cooperation in this matter.

## Lost and Found

A bracelet with pearls has been found. If you have lost this item, please speak to Ms Williams in Pre-Prep.

Please could parents check at home and inform the reception office if found.

Thank you

## First Aid Messages

Dear parents/guardians

It's that time of year when Norovirus is circulating and other tummy/sickness bugs. We therefore just need to remind you of the following guidance from Public Health England.

### Children and staff with symptoms of norovirus should:

- Stay away from work or childcare setting until they have been **free of symptoms for at least 48 hours** and avoid contact with others where possible
- Keep hydrated by drinking fluids as tolerated
- If symptoms persist (more than 48 hours), phone the GP or the NHS non-emergency number 111 for advice
- Wash hands thoroughly with soap and water regularly but particularly after toilet visits and before eating and handling food. **Alcohol hand gel is not effective against norovirus**
- Do not attend other childcare settings or visit hospitals or residential care homes as there is a real risk of introducing the infection to the establishment
- Do not handle or prepare food for other people until symptom free for at least 48 hours

Stay well!

Many thanks

Katrina Cameron

## FTS Messages

### Christmas Fair

Please could we have donations for the sweet tombola of decorated jars of sweets. Please leave them in the crate in the reception office.

Good quality toys and games can be left on the table on the landing from 2<sup>nd</sup> December onwards.

If anyone is an accomplished face painter please contact Laura Fawcett on [laurafawcett@hotmail.co.uk](mailto:laurafawcett@hotmail.co.uk)

### FTS Christmas Pudding Making Evening

Some 35 parents gathered in cheery Christmas spirit, mixing basins and wooden spoons at the ready to test their measuring and stirring skills at the FTS annual Christmas pudding making event.

Welcome drinks and mince pies in hand, parents worked in small groups and measured, grated, poured and stirred a heady sweet smelling fruity mix of currants raisins and glacé cherries - and not to mention - sherry - into their home made puds, with some festive music to add to the Christmas spirit.

By all accounts the end result is a delicious home-made addition to the Christmas table - with people coming back year on year to make one of their own.

Many thanks to Catherine Wood for all her hard work organising and shopping; to Sue Macintosh for lending us the catering equipment and her kitchen, and to Mark the caretaker for helping with everything else along the way

### FTS Xmas Fair Poster Competition

We would like to thank everyone who entered the poster competition this year.

There were some fantastic designs from across the year groups which made choosing a winner very hard but congratulations goes to Jack M. from 5JL whose Christmas bauble really caught our eye! Look out for his poster around the school and in the bulletin.
