EDF ENERGY EDUCATION inspiring the next generation

All things bright and beautiful,
All creatures great and small,
All things wise and wonderful,
The Lord God made them all.

Each little flower that opens,
Each little bird that sings,
He made their glowing colours,
He made their little wings.

All things bright and beautiful,
All creatures great and small,
All things wise and wonderful,
The Lord God made them all.

He gave us eyes to see them,
And lips that we might tell
How great is God Almighty
Who has made all things well.
