FTS  
PRESENT

# Quiz Night

Saturday 20 June  
8.00pm

Email

[FTS@truroschoo.com](mailto:FTS@truroschoo.com)  
for the Zoom codes

For all parents, staff  
(and older children)

The last FTS virtual quiz was a great success with many families joining in, including grandparents and staff, from across the schools.

Following on from this success, the FTS is pleased to announce that it is hosting another Virtual Quiz Night on Saturday 20 June at 8pm.

Don't forget to bring your own snacks and we look forward to seeing you there!

19 JUNE 2020: TRURO SCHOOL NEWS AND UPDATES

## Socially distanced photos

Year 6 don't have long until their time at Truro School Prep finishes and their new adventure begins. Here are some group photos for them to look back on.

## Coronavirus Emergency Bursary Fund

Our Coronavirus Emergency Bursary Fund is up and running. The current situation has had a huge impact on every family and individual in different ways, and we are proud to be part of a community that supports each other and those around us. All donations to the fund will be used to help the families who cannot manage their School Fee payments due to the crisis. This Fund is being administered by the Truro School Foundation, therefore attracting gift aid and tax relief. If you are able to help, you can do this by following the link below.

We very much hope that all the steps we are taking will enable the Truro School community to be together again as soon as possible and thank you very much indeed for any contribution you are able to make.

19 JUNE 2020: TRURO SCHOOL NEWS AND UPDATES

## Vive La France!

Sadly Year 6 were unable to go on their planned Normandy trip last week, but all was not lost as the pupils celebrated all things Francais instead.

Dressed in the French flag colours of rouge, blanc and bleu, the children learnt how to ask for lunch in French, played boules and learnt different areas of France through quizzes and maps.

Tres bien!

19 JUNE 2020: TRURO SCHOOL NEWS AND UPDATES

## Wildlife on site

These cuties are baby Swallows and they wait in their nest obediently for their Mummy and Daddy to bring home those tasty worms.

Elsewhere on site, these children can be found in their natural habitat... running around outside!

19 JUNE 2020: TRURO SCHOOL NEWS AND UPDATES

Nursery children continue to take the newly implemented restrictions in their strides.

To promote cleanliness and personal hygiene, a 'bubble fest' was organised. In keeping with the festival theme, the children also had a 'dough disco' to improve the dexterity in their fingers and enhance the muscles and tendons in their hands; manipulating dough to a groovy tune!

Nursery are embracing learning opportunities which are all around us, but specifically in the outdoor area, which offers tremendous scope for the children to become self reliant and make choices as well as their own decisions.

19 JUNE 2020: TRURO SCHOOL NEWS AND UPDATES

As usual you've been sending in your remote learning photos...

# Friday Bulletin

From rock painting to creating 'journey sticks'...

Exciting work behind the scenes from various sporting bodies across Cornwall, has led to the creation of the first ever virtual Cornwall school games competition.

Truro School (Prep and Senior) are entered and we would love to see our pupils and parents involved, representing Truro School and gaining points for our hopefully impressive total!

To find out more information about the day, which includes events information, how to submit your entries and how points are awarded, follow this link to the [website](#) where you can find the programme of events and everything you need to know.

Good luck and have fun!

Mr Sanderson (Director of Sport) and Mrs Luxton (Head of PE, Prep)

A letter was sent to parents (Years 3-6) last week from Claire Rawlinson, our LAMDA teacher, in preparation for LAMDA lessons from September 2020. Please find below an update to this letter to reassure parents under the current situation:

*Please note that lessons will take place in small groups (maximum of 6 pupils). In the event of another lockdown, LAMDA lessons will continue online and consist of an exciting programme of lessons which have been devised specifically for online teaching. These lessons will be at the same rate. Lessons are optional and in the unlikely event that your child does not wish to continue lessons online, any lessons owing will be added to the following term or when school resumes.*
