Hopes and Dreams

Did you know when Ms Patterson was a child she wanted to be a missionary? Life took her on a different path but one that she loved, having met thousands of children and lived and travelled abroad.

"I wonder what your dreams for the future will be. There are so many options in life and I think that's wonderful. My hope for all of you is that you'll be happy, fulfilled and satisfied."

World Book Day: Friday, March 26

Hopefully, everybody is ready to dress up for our celebration of World Book Day on Friday. We are all very excited about seeing the pupils and staff dressed as their favourite literary characters.

We are also asking for donations of good quality books that will be given to a local charity. Book plaques can be collected from form teachers.

Songfest 2021

The Assembly Hall was a joyous atmosphere on Wednesday as Year 5 gathered for Songfest 2021 organised by Cornwall Music Education Hub.

Primary schools from all over the county took part and there was a big cheer from the children when Truro School Prep was read out.

Prep's very own music teacher Mrs Renshaw hosted the event and the children revelled seeing her on screen. The

songs began and the young singers were immediately giving it their all. There was dancing, clapping, jumping and arm swaying as a mix of lively and classic songs featured on the set list.

Afterwards the pupils continued being creative, making up their own lyrics to one of the songs.

Relive the event [here](#).

Year 5 were in their bubble and socially distanced.

Head's Commendations

Raif 3SM for English: for writing a fantastic Treasure Island story 'Pirates of the Cove' featuring Gingerbeard. I particularly loved the way that you wove your three story settings into the main text. There is some wonderful richly descriptive detail within this. Well done!

Jensen 3SM for Art: for your outstanding art work this half term. Well done!

Jensen 3SM for English: for an amazing Treasure Island story full of brilliant detail, well-chosen adjectives and exciting moments. You worked hard on the technical side too, checking carefully for accurate spelling and punctuation. Well done!

George 3SM for English: for creating a fantastic pirate character (Captain Underdog) and writing an amazing story based on your own Treasure Island. You also designed a super theatrical set to go with this. Your recorded dramatic performance as Captain Underdog was award winning! Well done!

Harris 4ME for Art: for your incredible hat inspired by shells and recycled junk.

George 4ME for Science: for amazing commitment and effort in our online lessons throughout lockdown. You produced fantastic written work each lesson, including some thoroughly researched, beautifully presented food chains. Well done!

Harry R 4ME for English: for producing an excellent piece of writing, during Lockdown, based on the class text, Kaspar Prince of Cats. You wrote a very engaging account of Kaspar's arrival at the Savoy Hotel, describing the sights and sounds from the cat's point of view. This was very well written and was a pleasure to read.

Isaac 4SC for Art: for your outstanding shell hat.

Lowenna 4SC for Art: for your outstanding 'hat' inspired by shells. For your creativity and skill in designing and making this elegant design.

Poppy 5JE for English: for outstanding work on a story set in Victorian times, using contrasting characters. Written with lots of rich description and emotional connection. Well done, Poppy!

ACHIEVEMENTS

Head's Commendations

Barney 5JE for English: for a superb story about Jimmy and Titch, the magpie, who get up to all sorts of adventures. Exciting, rich in detail, description and dialogue, and well-edited, this is an excellent piece of work. Well done, Barney!

William S 5JE for Music: William has written and recorded a Rap entitled, 'This is me', based upon an example we have studied in our music lesson on Friday. William completed his Rap quickly, and was able to share it with his form later that day. It is well structured and very musically performed as William has stuck to the beat well, and delivers his content rhythmically so that the lyrics match the beat.

Caitlin 5JE for English: for an excellent story which you have worked so hard on about two contrasting characters. Rich in detail and exciting - I'm so glad Bee defeated the evil mermaid!

Lois 5JL for English: for a wonderful story based around contrasting characters, rich in detail and exciting!

Lois 5JL for Humanities: for a beautifully presented storyboard containing well chosen facts detailing the history of Treliste House. Well done!

Rosie 5JL for English: for an outstanding story using contrasting characters, which not only was rich in description but also exciting and inventive. Super work, Rosie!

Rosie 5JL for Humanities: for producing an amazing model of the Hajj pilgrimage complete with detailed fact cards explaining each stage.

Rosie 5JL for Humanities: for the commitment and effort you put into every single online humanities lesson. You have produced some amazing pieces of work since January and have clearly spent a lot of time on your detail and presentation. Well done!

Rosie 5JL for Music: Rosie has produced a continuous high standard of music related work from each lesson. Rosie's work is always immaculately planned and presented with a range of creative ideas.

Gabriel 5SL for English: for an amazing story using contrasting characters, based in Victorian Times. The odious character of Lord Whirlwind will live long in my mind but luckily he got his come-uppance!

Gabriel 5SL for Music: Gabriel has written and recorded a Rap called 'This is me'. It is based upon an example by Michael Rosen and forms part of our music topic, Performance Poetry. I really like this piece of work as it is well structured, excellent rhythmic control, marking the beat accurately and performed brilliantly. Gabriel has added a backing beat to his work so that it really comes alive.

Christian 6AG for Art: for very good work on endangered animals.

Scarlett 6AG for Art: for very good work on endangered animals.

Iris 6AG for Art: for very good work on endangered animals.

Freddy 6AG for Art: for very good work on endangered animals.
