Prep Assembly: Laughter

“How brilliant laughter is! Think about the things that make you laugh, daft stunts, jokes, comedy programmes, cartoons, videos? Laughter can be an enormous relief and has an ability to be contagious. Laughing produces a sense of wellbeing and releases endorphins, and is even a cardio workout!”

Watch this week's assembly [here](#).

Truro School teachers launch G7 resources

We are really pleased to be working with Sing2G7 to launch our G7-themed educational resources to primary and secondary schools across the world.

The recently launched Sing2G7 is an international programme designed to put children's voices at the heart of G7 2021 and make the Summit relevant to their young lives.

The resources, which include lesson plans and fun activities for Key Stages 1, 2 and 3, have been created by our teachers (with help from our pupils), for teachers, in time for the UK's hosting of the G7 Summit this June in Carbis Bay, Cornwall. They are available to download free from the Sing2G7 website > <https://www.sing2g7.org/edu-pack>

The educational resources follow last week's release of the Sing2G7 song 'Gee Seven', created for the project by Sir Tim Rice and Peter Hobbs. The song invites young singers across the globe to learn, sing and share their renditions of Gee Seven.

Sarah Patterson, Head of Truro School Prep, commented, "I am really excited to think that schools in Britain, Europe and across the planet will have the perfect opportunity to connect as we encourage our children to consider issues such as leadership, sustainability, and what it really means to be global citizens. Already thousands of voices worldwide have signed up to sing the Gee Seven song and I am thrilled at the possibilities this project presents in uniting children and teachers across the world to make G7 relevant to other children and for children everywhere

to have a voice in the event.

"The whole premise of the Sing2G7 project is how do we make the G7 relevant to children and how do we put them and their voices at the heart of the summit. With this in mind we are delighted to share some ideas and lesson plans, and some fun activities, from our school to yours as we approach the G7 Summit. We hope that the lessons stimulate conversation and consider some of the issues that will be discussed."

Sing2G7 co-founders Christopher Gray and Esmé Page expect a similar take-up of the Edu-pack, Esmé said, "Gee Seven is a great springboard to get young children interested in G7 and to find their voice. With this outstanding education pack, teachers can harness that initial enthusiasm and go much deeper into G7 2021 agenda areas, such as climate change, the pandemic and poverty."

Christopher Gray, co-founder, Sing2G7, commented, "When we asked Truro School if they would create G7 educational resources we couldn't have foreseen the scope of what they would produce, which is uniformly impressive in its substance, creativity and presentation. It will be a powerful contribution to children's learning wherever it's used."

Rachel Delourme, G7 Youth Programme Lead, Education Leadership Team, Cornwall Council said, "This high quality education pack is a phenomenal gift for all teachers. We hope it will be widely used in our county and beyond."

14 MAY 2021: TRURO SCHOOL NEWS AND UPDATES

The Prep drive is scattered with splashes of violet as the bluebells come out to say hello. The theme for this year's Mental Health Awareness event is 'nature' – something we are very fortunate to be surrounded by. We are very proud to have a long-standing, exceptional grounds team who nurture our natural environment and provide numerous places within the school for us all to reconnect with nature. Thank you Colin, Tom, Doug, Craig and Caine.

Head's Commendations

Megan 3LL for English; This is for your 'Show and Tell' presentation about your dog. You were extremely well organised, bringing in various photos and other objects to help illustrate your talk. You spoke very clearly and made good use of the mind map that you had prepared which helped you to organise the different parts of your speech. Well done!

Thomas 3LL for English; For a fantastic 'Show and Tell' presentation about Formula 1 racing. You spoke very clearly without the need for any notes. I was very impressed by your confidence and the way you used your model F1 racing car when talking about the corresponding parts of a real racing car. This really helped the rest of the class to visualise and understand what you were telling them. Well done!

Casper 3LL for English: For your excellent 'Show and Tell' presentation about skateboarding which was very informative and entertaining. You spoke clearly and confidently and held everyone's interest. Your use of a small model skateboard, as well as a full-sized one, to demonstrate moves was done very well. Well done!

Jensen 3SM for Maths; For outstanding application and consistency, in achieving 100% throughout the term in his weekly times tables tests.

14 MAY 2021: TRURO SCHOOL NEWS AND UPDATES

3rd Truro Cubs

3rd Truro Cubs is excited to offer an open day on Saturday 22 May at Tomperrow Scout Campsite.

We would welcome any children currently in Years 2-5 (who will be Years 3-6 in September) interested in finding out a bit more about what we do at cubs to come along.

The day starts at 11:30am, we will register any new children and get them involved in activities whilst we tell parents a little bit more about what we do at cubs. Parents will leave by 12:30pm. We will be doing lots and lots of fun outdoor activities making fires, cooking, pitching tents and playing games, to mention just a few. Parents return at 4pm to pick up their happy and tired children up!

Spaces are limited if your child would like to come, so please register your interest by the end of the school day on **19 May**.

Any questions email 3rdtrurocubs@gmail.com.
