 Year 3 & 4 pick up 12.15pm  
 Year 5 & 6 pick up 12.15pm onwards

Autumn Term begins Friday 3 September

2 JULY 2021: TRURO SCHOOL NEWS AND UPDATES

## Sports Days

Thankfully the weather stayed dry this week as the fields echoed with the sounds of cheers and claps when the whole school enjoyed their Sports Days.

All the children were very excited for their parents and guardians to be watching once again, as Covid procedures allowed them to be on site this year.

The children participated with much enthusiasm during the races and were very supportive of their fellow competitors and team mates. The concentration was visible on the children's faces with their sights set on the finish lines, especially during the egg and spoon races!

## Year 6 perform their final play

Wacky, wonderful and utterly magical. A gigantic thank you to Mrs Gregory for masterminding the exceptional Year 6 performance of Lewis Carroll's iconic tale of the little girl who falls down a rabbit hole, 'Alice in Wonderland'.

Uncertainty has been an overriding characteristic of the last year and a half, and it was with huge relief and the greatest thrill that we were able to welcome a real, live audience to the Burrell Theatre for the Year 6 production of 'Alice in Wonderland'.

We are immensely grateful to everyone who has enabled this to happen. As the first live show in front of an audience in the Burrell Theatre since the first lockdown in March 2020, and the first musical produced here since the last Year 6 production we staged in July 2019, we celebrate not only the amazing talents of these brilliant children, but also the renewal of shared experiences in theatres, concert halls and other performance venues.

## Nursery's trip to Healey's

Last Friday the Nursery children had a fantastic time at Healey's Cyder farm. Alfie was very proud to show us around his farm with his Dad. The children got to go on a very bumpy tractor ride through the orchard, design labels for their own bottle of apple juice, watch the apple juice production line and compare with how apple juice was made in the past. The highlight of the trip was going on a coach, seeing lots of farm animals and of course eating lunch!

The children told Mrs Banks what they enjoyed most on their visit:

"I liked doing all of it. I also liked seeing the pigs and the unicorn goat." Max J

"Bumping up and down on the tractor was my favourite." William

"Going up the big barrel and hearing the bubbles was good even though I was a bit scared." Otto D

"I liked it when we saw the apple juice being made and the old one that went round and round to get the juice."

James

"The cheeky baby goat that can fit through the fence was my favourite." Bea

## Naomi at National Schools Biathlon Championships

Naomi took part in the National Schools Biathlon Championships last Sunday in Sherborne. There were 280 children competing from Years 3-13.

Her race consisted of a 400m run, 50m swim, and 400m run. Naomi had 26 girls in the Year 6 race which they split into two heats. The transitions were better this time with no somersaults! It was a tough, fast race but she did really well and came 2nd in her heat out of 13 girls and came 5th overall with a time of 4:27.29.

Medals were awarded to 6th place so Naomi said it was well worth the drive, as she loves a medal!

## Healthy Teeth

Thank you to Mr Syed for coming in to talk to Reception about the importance of healthy teeth!

2 JULY 2021: TRURO SCHOOL NEWS AND UPDATES

## Year 5 Coast to Coast cycle

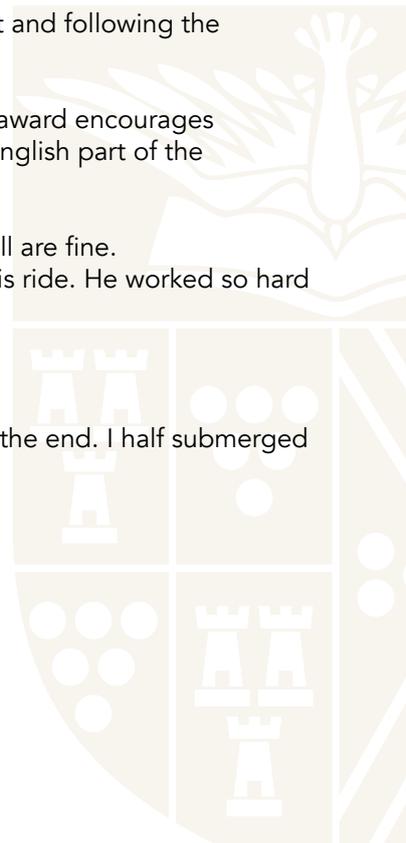

Year 5 completed their coast to coast bike rides, starting at Portreath on the wild north coast and following the heritage trail to Devoran on the south coast.

The bike ride forms part of the explore and discover sections of their John Muir award. The award encourages children to experience the wild beauty of nature for themselves and share this through the English part of the curriculum.

5SL had a particularly eventful ride, with no fewer than six children coming off their bikes – all are fine. Louis, who has recently started riding his bike, deserves a special mention for completing this ride. He worked so hard that he nearly fell asleep in the minibus on the way back to school.

### What did the children think about their bike ride?

- 'It was nice getting out into the wild and riding through the beautiful scenery.' Archie
- 'One of the longest bike rides I've ever done, but it was also really fun. I was really soggy at the end. I half submerged my bike in the giant puddle on the Bissoe trail.' Thomas
- 'It was good to cycle with a large group.' Gabriel
- 'This is the sweatiest thing I've ever done!' Louis, Year 5

## ACHIEVEMENTS

Pre-Prep	Stars of the Week	Work of the Week
Nursery	Max F & Will	
RLS	Seren	
RMJ	Chanel	
1KM	Arlo	Audrey and Violet-Rose
1SC	Rafe	William
2PS	Amaya	Bo
2CW	Oscar	Roen

Pre-Prep Golden Book Award
Ashleigh

## Merit Awards

### Bronze Merit Awards

GUIDE

## The final Cubs of the year

There's nothing so nice as messing about on the river (or sea..)! There were kayaks and paddle boards as the cubs took to the water for their last outing this term to Loe Beach, followed by delicious fish and chips on the beach.

It was a glorious evening and a lovely way to say farewell to the three oldest cubs, Christian, Ben M, and Jack M, as they move over to senior school and the fabulous King Louie, Raksha and Rocky. Farewell for now but not goodbye.

The pack are looking forward to more 3rd Truro adventures in September.
