Notices - Road Safety Notices

A reminder that we are still operating a drop-off system in the mornings. If you are bringing your Pre-Prep children between 7.45am and 8.15am, please drop them at the front door of Treliske House where they will be supervised in the dining room. Between 7.45am and 8am Prep children should also be dropped off at the dining room for supervision.

At pick up time please park on the right-hand side of the driveway only, leaving the left side clear for moving traffic. You can also park in the parking bays at the front of Treliske House, or at the roundabout. Additional parking is also available in the car park behind the sports hall.

A further reminder not to turn right into the driveway from the A390; this is an illegal manoeuvre which could result in points on your licence. Sadly, there have been a couple accidents recently caused by someone turning right.

Thank you

News from the Cubs

We were delighted to welcome new cubs and leaders to 3rd Truro. We had great fun working in teams building assault courses. There were diverse obstacles made using wood, ladders, the environment and even some maths problems! We are looking forward to an exciting term getting to know each other and establishing the group before welcoming new members again in January.

Well done Charlie for walking 10 miles from Perranaworthal to Portscatho in support of charity SANDS.

Refreshingly lacking in
arrogance but quietly setting
itself up as the place
to be schooled in Cornwall.
