The happy functioning of the school is achieved by pupils observe the following school rules. Every member of the Truro School Community is expected to treat others as they would like to be treated themselves and to work to uphold the Truro School Student Charter.

School Rules apply to pupils while at school, when travelling to and from school, when representing the school at any event, and to boarding pupils when off campus out of normal school hours. School Rules apply when on school trips. The School will take very seriously poor behaviour outside school which brings the School into disrepute or which may adversely affect the School Community.

6. No pupil is allowed to have patent medicines in his or her possession. Any special medicines are to be handed in to the Medical Centre.
7. For health and safety reasons pupils must not walk around the campus wearing headphones; this also applies to walking to and from school.

### **Appearance**

2. Aim to treat your environment with respect and ensure that all litter is deposited in bins especially food waste and used tissues.

  - The Fields beyond the 2<sup>nd</sup> team terrace

The only exceptions are those authorised for medical appointments (by email or phone call from parents to the School Office). In such cases pupils must always sign out at the School Office, signing back in when they return. For some Wednesday Afternoon Activities that take place offsite, pupils also sign out at the School Office before making their own way to their destination.
  - Pupils taking a school minibus home after school must remain on the school campus until their departure.

2. Sixth Form students are given special permission to use their mobile phones during the day in the Sixth Form Café, in the Sixth Form Centre and in their vicinity; they should not be using them at other locations around the school campus unless permission has been given by a member of staff.
