

7 JANUARY 2022: TRURO SCHOOL NEWS AND UPDATES

A Warm Welcome Back

Despite the occasional rain shower, there were warm smiles all around as pupils returned to both sites this week.

Corridors across Truro School Prep and Truro School were filled with excited chatter as friends caught up on Christmas news.

At Truro School Prep, there was baking, ping pong, and archery, as well as lots of learning through play in Nursery and Reception.

Children in Pre-Prep were excited to be learning about L'Épiphanie, or Dia de los Reyes, during their language lessons on Thursday, making crowns to celebrate the arrival of the Three Wise Men to visit Baby Jesus.

It was clear that all of the staff and pupils were glad to be back amongst their friends and colleagues. We are excited to see what the Spring Term has to offer, as we continue to explore our School value of curiosity this year.
