

Girl Choristers – Application Form

All students must be formally registered for a place at the School by completing the Registration Form and returning it to the Admissions Office. Students must fulfil the age appropriate entry requirements for Truro School.

Auditions will be held by appointment in January 2023 with Mr Christopher Gray who will be very happy to give applicants a pre-audition at a mutually agreed time.

Scholarships to the value of a 25% reduction in fees will be awarded to successful candidates. Additional means-tested bursaries are also available and the aim is that selection will be based solely on musical and academic potential, not financial background. If you require a Means-Tested Bursary application form, please download a copy from

Truro School and Truro Cathedral work together very closely in running the cathedral chorister programme. We hold information on boys and girls when they or their parents express interest in applying to be a chorister, when they apply to be a chorister, and when they become a chorister. We share this information across the two organisations, where necessary, for two reasons: first, to join up our pastoral care of each chorister ensuring that the school and cathedral commitments are dovetailing smoothly for them; and, secondly, in order to save each organisation writing to request the same information. Please see our privacy policies for more information: <https://www.truroschoo.com/truro-senior-school/senior-school-policies/> www.trurocathedral.org.uk/about-us/governance-and-chapter/policies
