## From Sports Days to Singing...

The title of this newsletter piece will make sense as you read on! We were so fortunate this Monday to have the boys from the Truro Cathedral Choir join us for assembly; Year 2 also joined the Prep children for the event and we were treated to the Magnificat by Malcolm Archer before joining in with a project that has inspired children throughout Cornwall.

Just like Sing2G7, the idea behind this engagement project is to create opportunities for the choristers to lead and inspire children across the county. The choir have introduced a blessing that they have been sharing and that schools can then make their own. The Archbishop of Canterbury used this blessing on his morning prayer zoom with Cornish clergy during his visit and saw one of the schools sing live to him.

The original words:

*From Hugh Town to Liskeard  
From Falmouth to St Agnes  
From the ocean to the orchard  
God's blessing go with you*

The words that our Prep children decided to use in assembly:

*From Feock to Portreath  
From Newquay to St Austell  
From the clay pits to the mine-shafts  
God's blessing go with you*

It was a lovely time of singing and collaborating together. If you would like to see the work of the four other schools involved, please click [here](#).

We are thrilled that three of our current Year 3 boys will be joining the Cathedral Choir in September as probationers; if you would like to hear more about chorister opportunities, please contact the Director of Music, Mr Chris Gray, who would love to give you further details about the choir and chorister life.

Thank you to all who were able to join us for Pre-Prep sports day on Wednesday and Prep sports day on Thursday; it was so wonderful to have parents and children back together for these special days and to be able to move around the site, enjoying the different events.

We will hold our Summer Fete here at the Prep on Saturday between 12 00 noon-3 00pm so please join us for summer fun and activities – everyone is welcome!

## NOTICES

### Summer Concert

Friday 1st July starting at 6.30pm in the Sports Hall at Prep. All children are involved in Years 3, 4, 5 and 6.

Year 4 pupils will require their Prep Folk instruments that they use on Wednesdays. Instruments should remain in school following Wednesday's lesson on June 29th so that all pupils are able to be involved.

Please could all pupils wear their school uniform to the concert: no blazers and if very warm, no jumpers.

Drop off can be from 6.00pm and children will go to their form rooms to gather and be registered.

The concert will last approximately an hour, ending around 7.30pm.

### Clarioncall messages

We have been advised by some parents that they have recently found Clarioncall messages in their junk folder. If you notice that you are not receiving regular messages from us, please could you check your junk folder. By moving a message from there into your inbox, it should sort the problem.

### Lost

Jimmy (5CD) lost a pair of blue shoes at the Year 5 surfing trip on Wednesday. Please could parents check their children's bags and let Mrs Cameron or the reception office know if found.

Many thanks

## Creativity in Pre-prep

As the end of the school year fast approaches, Pre-Prep pupils have been reminiscing on everything they've achieved this academic year.

Creativity and confidence flowed as they wrote down their favourite things from the past year and what they were looking forward to in the summer.

Meanwhile, some of the Pre-Prep were busy showing off their artistic talents by completing self-portraits using paints and pastels. It was lovely to see how creative and unique everyone's art was. More photos [here](#).

## Creative Success for Incredible Writer in Prep

Members of the Rotary Club joined Prep School this week to present to an incredible young writer.

In March, Sam entered the competition with his environment-themed diary, where he was awarded first place at the district level of this annual writing competition.

His writing was then put forward to the national level, where his writing was judged against children across the country. After the long-awaited results, we are thrilled to share that Sam took second place overall, which is a huge achievement.

Mr Bayly (Rotary Club) praised Sam's writing for having depth, maturity and a powerful message about how we must all care for our environment. Congratulations Sam!

## Nursery Trip to Lappa Valley

On Friday 17th June Nursery embarked on an exciting adventure.

Following the children's love of playing with trains in Nursery Mrs Banks arranged a trip to Lappa Valley Railway.

The children got to enjoy four train rides throughout the day which was equally exciting as the coach journey there.

The day also consisted of a picnic lunch, and some outdoor playing all before listening to 'The Magic Train Ride'.

Everyone had a great day out, and the children were amazing!

## U11 County Cricket Championships

On Monday 20th June, Truro School Prep travelled to Kings College, Taunton to compete in the Under 11, Hardball Cricket, South West Region Finals.

Truro started the tournament with a fantastic fielding display against Exeter School (Devon), which then set them up to win the game convincingly following some superb batting.

Truro's second game against a very strong King Hall (Somerset) team was hard-fought. Batting first against a clearly more experienced team, Truro held their own and learnt some valuable lessons on tactics and techniques of the game.

With a long pause in play for lunch, Truro then fielded against Kings. Resilient to the end, Truro couldn't quite manage to secure the wickets needed and Kings finished worthy winners.

The final game saw Truro play St Michael's Middle School (Dorset); Truro fielded first and uncharacteristically were a little loose, leaving them with a large total to chase. Truro set to task with grit and determination, and the game was on a knife-edge right until the final over. Sadly, St Michael's just did enough to secure victory leaving Truro finishing in 3rd place overall on the day.

The players can be proud of the character, sportsmanship, compassion and determination shown throughout the day. As always a massive thank you to all parents and family members who came to watch.

## Eggs, Spoons and Fun Galore at Pre-Prep's Sports Day

Parents, pupils and the sun were out in force for our Pre-Prep Sports Day on Tuesday this week. It was a truly glorious morning, with courage, determination and sportsmanship on display in abundance. There was a hotly contested 30m and 50m sprint, the tricky animal pick-up, bean bag relay and of course, the egg and spoon race to name but a few events.

Well done to everyone who took part and a big thanks to all of the staff and parents who made this event possible and cheered on the children so heartily. A special thank you and well done to our tremendous Year 4 helpers who ensured the morning ran smoothly.

We hope you enjoy some of the the photos from the day. View more [here](#).

## Determination and Smiles at Prep Sports Day

It was another gloriously sunny day as our Prep pupils took to the School field for their Sports Day.

Parents and supporters were there to cheer on teams and individuals in events including long jump, hurdles, sprints and relays. Every pupil was encouraged to take part in events designed to be fun as well as challenging. It was wonderful to see our children rise to the occasion and encourage their peers to do their best in each event.

As the day drew to a close, there was a fiercely contested House tug-of-war competition, which provided some brilliant photos, before a final presentation for each year's victor and victrix ludorum and the House Cup.

Thank you to all of the brilliant staff and helpers who made the day such a success, to all of the parents who braved the sunshine and to every pupil who showed true determination and compassion throughout the day. Find all of the results and more lovely photos [here](#).

## Head's Commendations

**Rupert 3LL** for English: this is for your outstanding and enthusiastic 'Show and Tell' presentation about Bermuda. Your whole presentation was very well organised and you spoke clearly and confidently, holding the attention and interest of your audience. I was particularly impressed by personal knowledge you demonstrated when answering the questions asked by the other children. Well done.

**Arthur 3LL** for English: this is for your excellent 'Show and Tell' presentation about horse riding. You spoke confidently and enthusiastically as you talked about the photos on your PowerPoint and held up pieces of riding equipment. Your whole presentation was very well organised. Well done!

**Jensen 4ME** for English: for your amazing sculpture of a dragon based on that described in the book, 'Young Merlin' by Tony Bradman. You have created a wonderful model using coloured wire and aluminium foil. Well done!
