19 JANUARY 2024: TRURO SCHOOL NEWS AND UPDATES

Dear Parents, Guardians and Carers,

This week has seen the excitement of a dusting of rare Cornish snow at School. Although it melted fairly rapidly, it allowed pupils to have a bit of well-controlled "mini" snowballing before lessons began on Thursday. My thanks to our superb Estates and Facilities teams for all their work and long hours keeping the site gritted and safe during this cold snap.

We were delighted this week to formally unveil the Truro School Music Project, which will see the creation of a multi-million-pound music centre and refurbished multi-use Hall. Scheduled for completion at the start of

2026, it will create a hub for musical education and aspiration in Cornwall and will offer state-of-the-art facilities for pupils, the Truro Community, and beyond. From a pastoral perspective, the project also paves the way for improved facilities to support pupil well-being on site. You can read more about the project here.

Over recent weeks and over the rest of this month, I have been speaking at Head of Year assemblies in the Lower and Middle Schools and focusing on the specific actions that pupils can take to build a culture of kindness in their own year groups and the wider School. Rev Helen has also been speaking in Chapel about the origins of the civil rights movement and ongoing challenges in society around discrimination.

This morning, I spoke to 1st Year pupils about the simple things that embed a culture of kindness: actively looking for ways to make someone's day better, not worse; respecting and celebrating individual difference; using social media to build people up and not to put people down (despite the often poor role-modelling from public figures on social media), and to understand that each individual pupil is not superior to anyone, nor are they inferior to anyone. I reminded pupils of our QR code reporting tool which has now been in place since November, with posters across the School site, where they can report any concerns they have. I will be speaking to all year groups on this theme by the end of January.

It is worth reflecting too on the merits system within our revised Positive Behaviour and Values Policy. This year, I am delighted to say that pupils across the 1st to 5th Year have accrued 21,260 merits since September. All of these count towards the keenly fought House competition but, more importantly, each merit reflects the huge amount of hard work, imagination, kindness and creativity that our pupils demonstrate every day. Every merit is an achievement or contribution noticed, appreciated and celebrated by staff. Pupils achieve various levels of certificates ranging from a suitably Cornish Tin Award for 15 merits, through Bronze, Silver and Gold, right up to a Coronation Award for those who reach 150 merits. We are now awarding paper certificates in pastoral time for pupils when they achieve each award – do check whether a modest son or daughter has one (or a few)

I wish you a refreshing and happy weekend,

Deputy Head Pastoral

Rob Murphy

It has been an exceptional start to the year for our sports people.

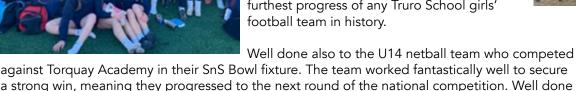

to the team and we look forward to hearing how they get on!

The U15 netball team progressed to the SnS Bowl Semi Final after a nail-biting quarter-final against Backwell School. Mrs Tresidder and Miss Bickley commented, "How amazingly proud we are of the team, with every player contributing to the success on the court. It has been a real privilege watching the team grow since coaching them as 1st Years and the win today was fully deserved." We look forward to hearing how the team gets on in their semi-final match soon!

A huge 'good luck' to our 5th Year rugby team who are playing their county finals today. We wish them all the best of luck!

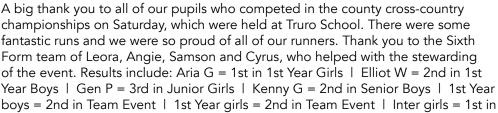

In football, our U14 girls had an incredible cup run, coming to a dramatic end following a narrow loss to Torquay Academy 5-4, conceding with the last kick of the game. Truro's effort, attitude, and skill were incredible to witness and they bowed out of the competition with the honour of making the last 16 of the National Cup and making the furthest progress of any Truro School girls' football team in history.

In cricket, the 1st Year boys took part in the U12 indoor cricket tournament. Both teams played Camborne in their first match. They both played each other in the second match, ending in an exciting draw on the last ball. Well done!

Team Event. Thank you to all the staff involved in organising the event – Mrs Wood, Mrs Morgan and Mr Casey.

The U16 boys' hockey team enjoyed hosting Penryn College and Penair as part of the boys' preparation for the regional finals.
Well done all of you!

International Offers for Florence

Congratulations to Florence M on receiving an unconditional offer from the University of Notre Dame, Indiana, to study Business. She has also received offers from other prestigious overseas universities, such as McGill, Western, and Concordia in Quebec.

Florence, who is studying A Levels in chemistry, maths and drama, will be well recognised for roles in productions of Boudica and Les Misérables. But she said it was the research she did for her EPQ project on the perfume industry that has really sparked her interest in studying Business at university.

Notre Dame is ranked in the top 20 US colleges and is known for its selectivity. Read more <u>here</u>.

Shortlisted by the Arts Society

Congratulations to Emily Trendell CO23, who has been shortlisted for The Arts Society A-Level Art Competition.

Her captivating oil on canvas piece, titled 'Sleeping', was submitted by the Art Department and has been selected from 113 entries to join the prestigious shortlist of 2024.

Unveiling Exciting Music Project

Truro School is proud to announce the launch of the Truro School Music Project, a transformative initiative that will enrich the musical landscape within the school, the city of Truro, and the county of Cornwall.

With a firm belief in the pivotal role of music in education and community and cultural life, the Truro School Music Project will see the creation of a new multi-million-pound music centre and a refurbished multi-use Hall, fostering musical participation, excellence, and inclusion within the school and the broader community. Full story here.

Cooking Up Success

Delightful aromas filled the cookery school last night as our 1st and 2nd years got stuck into this term's cookery course. On the menu this week was a lightly spiced chicken curry, made with fresh ingredients. Pupils had plenty of opportunities to practice their knife skills, as well as cooking on the hob.

Once they had completed their dishes, they took home their freshly made meal to share with their families. All ingredients for our cookery school courses are provided for the pupils, which means they're always cooking tasty new meals and trying new things.

Sustainable Bird Control

You may have heard whispers from your children about recent siting's of hawks and eagles gracing the skies above Truro School but rest assured, we are not transitioning into an Aviary, but rather implementing a strategic bird control method to sustainably safeguard against seagulls prior to construction work commencing later in the year.

The bird control initiative is being executed by a professional team working closely with the Estates Department.

Boarding

News From The Boarders

Last weekend, the boarders visited the Eden Project. With skates laced up and laughter in the air, they took to the ice, creating memories with their peers. As the evening approached, the cozy warmth of chocolate fondue and lively games back at school brought everyone together after a busy day.

Sunday arrived, offering some rest before another busy week. Pupils caught up on work and enjoyed the onsite facilities; a perfectly balanced weekend.

Thursday brought an unexpected flurry of snow, transforming the site into a winter wonderland. For some of our boarders it was their first time seeing snow so excitement was high in the houses.

Happy Birthday

144 years ago, on 19 January 1880 the opening ceremony of the brand-new Cornwall Wesleyan Middle Class School for Boys in Truro took place in the school room of the Bethesda Chapel in River Street.

The new school in Truro was the first to open under the recent Methodist initiative to establish middle-class schools to provide 'the elements of a broad and liberal culture'.

A Sprinkling of Snow

We rarely get snow in Truro but this week, we were treated to a short but heavy snow shower. The school grounds and the whole of Truro looked fabulous in the snow and morning sunshine.

An Insightful Trip to Skinner's

Our Lower Sixth Business students had the opportunity to visit Skinner's Brewery, a renowned Cornish business owned by Old Truronians Louis (CO03) and Jess (CO06) Simpson. Led by Louis, the students were taken on an insightful tour, looking into the intricate brewing process and delving into all the behind-the-scenes of running a business.

The visit to Skinners provided a valuable glimpse into the world of running a business, leaving the students motivated and inspired. A huge thank you to Louis and Jess for allowing us to visit.

If your child created or contributed towards a Christmas box for St Petroc's in December, please do read this lovely thank you note.

Dear Students,

Thank you so much for the incredible effort that went into creating shoe boxes filled with toiletries, scarves, hats, and other essential items for people experiencing homelessness.

These shoe boxes have been given out at our Resource Centres to people that are sleeping outside and helped provide a sense of warmth and care during what can be an incredibly challenging time for our clients, reminding them that they are not alone.

Thank you to everyone involved for your kindness and compassion. We are truly grateful for your support.

Many thanks

The Truro School Art Collection Goes On An Outing

ROYAL CORNWALL MUSEUM

In the early 1980s David Heseltine, then Head of Art at Truro School, found himself frustrated that the independent status of the school barred it from borrowing artworks from the Cornwall Council Schools Art Collection. He was convinced that the school should begin its own Collection in order that generations of students might learn from looking at the real thing. Today, the Collection encompasses nearly 300 artworks representing a veritable A Z of late 20th and early 21st century artists, the majority of whom lived and worked in Cornwall and some of whom attained international recognition.

The Collection is rarely seen, and it is only the second time that the Collection has featured in an exhibition at the Royal Cornwall Museum in forty years. The exhibition draws from David's unique personal archive and anecdotal reminiscences that amplify the personal generosity of the many artists whom he visited in their studios who either gifted to the Collection or whom he purchased from.
