---

24<sup>th</sup> August - 28<sup>th</sup> August, 2026

Join an elite international coaching team alongside leading British fencers and athletes from around the world for a high-energy [summer fencing camp](#) designed to push performance to the next level.

This intensive camp is built to sharpen technical skills, develop competitive confidence, and prepare athletes for the demands of top-level fencing. Whether you're targeting major competitions or simply want to train in a world-class environment, this is a rare opportunity to immerse yourself in high-quality, purposeful training.

What to expect:

- Two coached training sessions per day led by an international coaching team.
  - Three individual lessons focused on refining technique and tactical execution.
  - Strength & Conditioning sessions to prepare athletes for the 2026/27 season.
  - A structured beach session that takes advantage of the Cornish seaside, combining hard training with group games.

# LOCATION

Located in picturesque Cornwall in the South West of England, Truro offers the ideal balance between focused training and downtime. Truro School is conveniently positioned close to the city's amenities and within easy reach of the Cornish coast. The city is known for its historic architecture — including the iconic Truro Cathedral — and is a popular summer destination, combining culture, coastline, and relaxed Cornish atmosphere.

Truro has good rail and bus links to Newquay, Bristol and all London airports.

# SPECIAL GUESTS

We're delighted to be welcoming a number of guest coaches and athletes to the programme. Our first announcement is Joe Choong, Olympic gold medallist at the Tokyo Games in modern pentathlon and a two-time world champion. Joe will contribute to epee sessions and share his perspective on what it takes to perform and succeed at the highest level.

Further guest coaches and athletes will be announced shortly. Each brings experience from international competition and elite training environments, adding real depth to the programme through sessions, lessons and shared insight.
