*Can you create your own **Nativity in a Shoebox?***

Just a few examples. Be as creative and innovative as you wish!

How to enter

1. **Find a shoebox at home.** A typical shoe size, not boots. This is your stable, and your whole creation needs to fit inside it.
2. **Choose your figures.** You need at least Mary, Joseph and Baby Jesus, but feel free to add other characters from the Christmas story too.
3. **Create your Nativity scene.** Be as creative as you like, and secure the figures as best you can.
4. **Bring it into school** by Friday 27th November.
